Time Zone Support

3 years ago · Updated · [Print/PDF](#) 🖨️

Translate this article: [Po](#)

Vizia Time Zone Support allows you to select which timezone you would like your Vizia Installations to set to. When creating or editing an Installation you'll find the time zone drop-down.

Create a New Installation

Installation name ?

E.g. Board room

Choose your Theme ?

Please select...

Choose your Language ?

English (United Kingdom)

Choose your Time Zone ?

Please select...

Save

Cancel

Selecting this drop-down will present you with the option to select your location, and thus what time-zone your Installation is presented in. You can type into the search box to filter the location choices.

Choose your Time Zone ?

Please select... ^

- America/**New** York (GMT -04:00)
- America/North Dakota/**New** Salem (GMT -05:00)
- US/Pacific-**New** (GMT -07:00)

Please note that, if your Vizia time zone is different to that of the project you're using as a data source, you may experience a disparity between the data displayed. You'll get a warning of this when selecting a project that has a different time zone to that which you've set within Vizia.

Project

Ben & Jerry's ✓

Project and Installation time zones don't match. [Read more.](#)

Due to the different time zone, some data might fall onto a different days of each time zone, resulting in a difference in figures. This could change where the peaks and troughs fall on your charts. Please keep this in mind when comparing any data between the Consumer Research and Vizia platforms.
