Starred Decks

3 years ago · Updated · [Print/PDF](#) [Translate this article:](#) 

Starred Decks is a way of organizing your content more efficiently in Vizia. It allows you to star any decks you want to highlight. This feature can be used to save time by flagging decks and also helping to organize content between teams.

Once starred they will appear in a folder in your folder view.

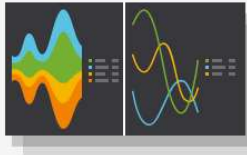

You can star decks from the following views:

1. Deck Management

Simply click on the star beside the deck name and the deck will then appear in the 'Starred Decks' folder.

Distribution

When you are distributing content via the distribution hub, you can distribute directly from the starred decks folder.
